Keep cool under pressure, look even cooler. Rayon Bamboo is softer than the softest cotton and has a natural sheen to the surface. Protective Bamboo fiber contains a natural agent that prevents the growth of bacteria, thus keeping you odor-free. Bamboo apparel is comfortable, more breathable than cotton, fast drying, moisture-wicking and thermal regulating. It will keep you cooler in the summer and you can layer it to be warmer in the winter. It is the perfect fabric choice for those sensitive to allergens. Bamboo is inherently organic. It is grown without pesticides or chemicals, requires little water and is 100% biodegradable. It absorbs a very high percentage of carbon dioxide. It has been found to show no reduction in its antibacterial nature, even after 50 washes. Preshrunk.

#### (91) Ball and Jack Set

As Low As \$7.44

The origin of Jacks is closely connected with that of dice, of which it is probably a primitive cousin, and is possibly Asiatic. Sophocles ascribed the invention of Knucklebones (Jack's ancient name) to Palamedes, who taught them to his Greek countrymen during the Trojan War. Both the Iliad and the Odyssey contain allusions to games similar in character to Jacks. Our modern version comes with five silver jacks and five gold jacks, and two bright red bouncy balls contained in a finely crafted wooden box. A nostalgic game of skill and infinite fun. Perfect to travel with too!
